Soul & Skin Spa Ritual 1½ hrs

The ultimate facial indulgence, heritagehealers Soul and Skin Spa Ritual nurtures your senses on every level, leaving you with a radiant, youthful complexion that simply glows with good health and complete well-being.

We begin with a few simple questions from which our expert therapists will create your personal journey of wildflower healing.

Wildflower essences, the finest aromatherapy oils and purest organic skin care are all applied with a deeply relaxing healing touch.

While naturally revitalising the skin we balance the body's energies using your personal wildflower remedy and the ancient Ayurvedic healing art of Chakra Balancing.

Working with the natural flow of energy your therapist moves through the major meridians and chakras, applying the essences, gently releasing stress to restore inner balance and harmony.

As healing hands glide across your body, stress melts away like ice on a summer day.

The Divine Goddess 1¼ hrs

Discover the Goddess in you with nature's most powerful wrinkle remover found in the beautiful Hibiscus flower.

This natural beauty secret works like Botox to smooth dynamic wrinkles and banish fine lines!

Your journey to beauty begins with a relaxing aromatic cleanse, followed by a cooling and soothing active massage mask.

Choose from protein rich **Caviar**, skin regenerating **Vitamin C**, or natural **Whitening** actives to brighten your complexion.

To complete the transformation your fine lines are then targeted with an intensive anti-ageing infusion of pure collagen and Myoxinol – nature's own wrinkle remover, extracted from the Hibiscus flower – while a gentle scalp massage soothes your inner soul.

Awaken to reveal the Goddess in you.

Beauty starts from within

wildflower facials

To bring you inner calm and beauty, our nurturing starts from the inside with the ancient healing of native Australian wildflowers.

Used for centuries by the Aboriginal people, our naturopathic doctors capture and bottle the vital essence of these unique wildflowers to help us keep up with our busy modern-day lifestyle.

The essences work to reduce stress, naturally improving our inner well-being, and this is reflected in healthy, beautiful skin.

Infused with wildflower essences and aromatic essential oils each of these uplifting facial treats is customised, just for you.

Elements of beauty & wellness

pure oxygen gas therapy

It's the latest weapon of choice for celebrities looking to keep signs of ageing at bay and it uses pure oxygen gas.

With our modern lifestyle increasingly choked with stress and pollution, this is truly a breath of fresh air.

Youth Elixir O₂ Facial 1 hr

The pure oxygen gas power facial begins with your personal wildflower essences and a calming aromatherapy cleanse to soothe away internal stress; A gentle process of enzymatic exfoliation and skin hydration follows to prepare the skin for oxygenation.

21st Century skincare science then floods the skin with 180 million nutrient particles a second of pure oxygen gas, vitamins A, C, E and essential minerals.

This cascade of micronised nutrients revitalises every skin cell pore by pore, banishing fine lines, wrinkles and dehydration.

The result is an instant fresh rejuvenated skin, glowing with good health that looks younger and younger with every treatment
– a natural facelift!

Euphoria O₂ Facial 1½ hrs

Euphoria is a powerful healing journey for the soul and skin.

Release stress with natural healing therapies; An oxygen gas power facial renews your skin; Balance and recharge your chakras with Ayurvedic energy work, while breathing pure O₂ gas for deep relaxation and rejuvenation.

This is Euphoria - the ultimate wellness experience!

Acne Diffusion 1¼ hrs

This treatment will deep cleanse and diffuse troubled skin conditions. We combine wildflower essences, for your inner balance, with the remarkable anti-bacterial and healing properties of pure oxygen gas.

This unique combination will regulate, clear and refresh your complexion, to restore the skin's natural equilibrium and your confidence.

Cellulite Cure from 1 hr

This treatment will rev up the cell metabolism and rid the body of dimple-causing fats by supplying essential oxygen and nutrients to the stagnant cells that cause the appearance of cellulite.

The pure oxygen gas gives cells a 'kick start' restoring a healthy metabolism so they can naturally process and remove the trapped toxins and fatty materials, effectively breaking down the cellulite.

The result is firmer, smoother, toned skin – fast!
